From

K. MATTHAN, ESQ., B. A.
Food Controller & Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

I have the honour tostate that with a view to meet the demand for ragi in the Bangalore City, I requested the Deputy Commissioner, Kolar, to order the despatch of 400 pallas of ragi from Malur, where some stocks out of the ragi commandeered last year (and paid for from funds advanced by me) are understood to be available. The Deputy Commissioner in reply urges the needs of his own district. Until fresh supplies are imported to replenish the stocks in the Provincial Grain Depot, I may have to meet urgent needs of Bangalore, Mysore and other important places by moving stocks from the places where the same may be available. I request that the Deputy Commissioners may be kindly instructed to comply readily with my requisitions in this behalf as I am in a better position than those officers to judge of the relative urgency of the demands of the different parts of the State. I need hardly say that I have no intention of taking any stocks from any district without consulting Deputy Commissioners, and giving full consideration to the points they may urge in

in regard to the wants of their own district.

I have the honour to be,

Sir,

Your most obedient servant,

MPH.

Food Controller & Director.
